- County expansion of broadband internet.

Action Items Table Information
2017 Action Item Number – The priority rank of the action item from the previous Comprehensive Plan. These were included for reference, but will not be included in the final plan.

Reference Number – An arbitrary number assigned to the Action Items to facilitate discussion.

Description – A brief description of the action item.

Plan, Policy, or Project – Refers to whether the action item requires a policy/ordinance change, a plan/study, or is a project to be undertaken. Many of the action items could be described as meeting more than one of these categories.

Timeframe – Later an estimated timeframe will be assigned to each action item based on how long each project would be expected to complete.

Committee Priority Rank – Once a full list of action items is curated, the Steering Committee will be asked to rank the action items to help inform which items are the highest priority for community improvement.

Project Lead – Which agency/organization is best suited to undertake the action item.

Partner – Which agencies/organizations are likely partners to complete the action item.
