

**GEORGETOWN-SCOTT COUNTY PLANNING COMMISSION
SPECIAL MEETING
MINUTES**

February 15, 2006

The special meeting was held in the Planning Commission Office on February 15, 2006. The meeting was called to order by Chairperson Barry Brock at 5:00 p.m. Present were Commissioners Mike Bradley, Melissa Gregory, Robert Hopkins, Jimmy Richardson and Elizabeth Williams, and Planning Director Rachel Phillips.

FY 2006-07 Budget

Ms. Phillips reviewed each section of the budget. She explained the modifications in the proposed pay rates and the request for an additional GIS Technician.

The Commission discussed and agreed upon a \$25 per month increase in the salary for Commissioners, and a \$50 per month increase in the salary for the Chairman since it has been a number of years since those salaries have been raised.

She noted that the building maintenance budget has decreased, and surplus payroll funds from this year due to position vacancies are being applied to this proposed budget.

The overall request to the City and County has increased by approximately \$16,000 each.

Motion by Richardson, second by Williams, to recommend a salary increase to \$200 per month for the eight Commissioners and to \$350 per month for the Chairman. Motion carried.

Motion by Hopkins, second by Gregory, to recommend the remaining proposed FY 06-07 budget as presented. Motion carried.

The meeting was then adjourned.

Respectfully,

Barry Brock, Chairperson
