

## PLANNER I

Georgetown-Scott County Planning Commission is seeking an entry level, professional planner who performs a variety of administrative and technical work oriented to current, long range and/or community planning. This team member's work will include research, analysis, plan/report preparation, and work with committees and the public, in a supportive role to the Planner II and other office staff. Serves as a staff planner for Board of Adjustment cases under the direct supervision of the Director. See full job description at [www.gscplanning.com](http://www.gscplanning.com).

*Education:* Bachelor's degree in planning, public administration, or related field is required.

*Experience:* Minimum one (1) year of professional planning experience, including internships, of a progressively responsible nature in a public or private planning agency is required. A Master's degree and/or coursework may be substituted for the experience requirement.

To apply submit cover letter and resume to [jherrington@gscplanning.com](mailto:jherrington@gscplanning.com).  
First Review of applications will be January 13th, 2024. Position open until filled.  
Salary range \$40-\$52,000/year
